**STUDENT VISAS**

People wishing to study in Australia in 2009 should:

- Call/email the immigration section to make an appointment to lodge your application.
- Applications must be lodged at least 12 weeks before your course starts. We recommend you lodge 16 weeks before.
- Research the requirements on the immigration website [www.immi.gov.au](http://www.immi.gov.au)
- Download a student visa application checklist and supplementary form from <http://www.fiji.embassy.gov.au/>
- Applications can be lodged with a Letter of Offer from the Australian University. A confirmation of enrolment (COE) is not required at lodgement.
- If you are waiting for your academic or IELTS results to be released, you can lodge your student application without the results. You should provide them when results are available.
